

CABANA

WATERFRONT PATIO

**WELCOME TO CABANA WATERFRONT PATIO,
TORONTO'S LARGEST OUTDOOR RESTAURANT**

CABANAWATERFRONTPATIO.COM

THINGS HAVE CHANGED, SO HAVE WE

With 50,000 square feet of patio space, the outdoor restaurant is the largest in Canada and can accommodate up to 675 physically distanced guests while practicing safe service.

Launched in 2013 as Cabana Pool Bar, the expansive patio has been reconfigured to welcome guests for lunch, dinner and brunch with unobstructed city views and a revamped menu by hospitality specialists, Oliver & Bonacini.

THE FUTURE IS BRIGHT!

As we welcome the summer season, our patron's safety is our top priority and we have taken steps to ensure that all guests will feel comfortable while dining with us. We have elevated our already high health and safety standards and implemented strategically placed tables and a reservation-only model. Cabana Waterfront Patio exercises all measures outlined by local government health officials. Some of the protocols include personal protective equipment worn by all staff, thoroughly sanitized venue surfaces between service, virtual and disposable menus, separate entrances and exits, and cabanas separated by plexiglass providing the highest level of confidence. For the full list of new protocols, visit cabanawaterfrontpatio.com
